SANTA CRUZ

JUNIOR GUARDS 2013

Second Session Newsletter #2

The first week has come and gone and we are already almost halfway through the second session! Last Friday, several of JGs competed in the Junior Lifeguard Regional Competition in Newport Beach, California. Congratulations to all our regional competitors and State Champions! Speaking of competitions, the famed NORCAL Junior Guard competition will be taking place in next week on Main Beach. Little Guards will compete on Wednesday August, 7th (**no Junior Guards this day**) and Junior Guards will compete on August 8th (**no Little Guards this day**). Parents we need volunteers throughout the competition on both days. **If you can volunteer please fill out the volunteer form and return it to us asap**.

The Booster Club would like to remind you that product sales will take place both days during NorCals. They will be selling a special commemorative t-shirt for the competition in addition to their regular gear.

Have a question you need answered?
Please call the JG Phone Line @ 420-6248, or visit our website:
