City of Santa Cruz
High Efficiency Clothes Washer Rebate Program

The rebate amount is **$100.** This offer is good through **December 31, 2014**, or until funds are depleted, whichever come first.

Rebate Eligibility Requirements

- Rebates are given only on ENERGY STAR® labeled clothes washers meeting energy and water consumption standards established by the Consortium for Energy Efficiency.
- The clothes washer must be **purchased new at retail price** on or after January 1, 2014.
- Rebates will not be issued retroactively for washing machines purchased prior to January 1, 2014.
- The clothes washer must be installed at a location served by the Santa Cruz Water Department.
- An on-site inspection by a representative of the Water Department may be required to verify installation before a rebate is paid.
- The rebate application form must be **filled out completely and returned with a copy of the sales receipt** to the Santa Cruz Water Department no later than December 31, 2014.
- Resale or lease/rental option clothes washers are ineligible.

Procedure

1. Purchase and install your new clothes washer. Verify with the appliance retailer that the clothes washer you are purchasing qualifies as an ENERGY STAR® labeled appliance. To find out how various ENERGY STAR® qualified washers are rated in terms of energy and water savings, go to www.energystar.gov.
2. Complete this rebate form and attach **a copy of the sales receipt** showing the model of the washing machine and date of purchase. Return to the Water Department for processing.
3. A representative of the City of Santa Cruz Water Department may contact you and verify installation of the qualifying clothes washer.
4. Allow four weeks to receive your rebate check.

This program provides financial assistance to customers wishing to purchase water-conserving clothes washers for their home or business. The City of Santa Cruz does not endorse or recommend specific brands, products, or dealers. Selection and installation of the appliance is the sole responsibility of the applicant, as is determination of the adequacy and compatibility of their existing plumbing system. The City assumes no responsibility for any damage that may occur to an applicant's property as a result of participation in the rebate program. Due to circumstances beyond its control, the City cannot guarantee that installation of the clothes washer will result in lower utility costs.
