A **Santa Cruz ParkCard** is a plastic credit card sized smart card that you can use to access available smart bicycle lockers and paid public parking in the City of Santa Cruz.

**Only pay for the time you use!**

Park your bike downtown in a smart bicycle locker with your ParkCard. There are over 100 bicycle lockers in nine locations (see map). Your bicycle will be safe and secure as you work, shop, and enjoy our beautiful downtown.

### How does a Santa Cruz ParkCard work?

#### Parking meters:

1. Insert ParkCard into meter in direction shown by arrow.
2. ParkCard balance will flash four times.
3. Meter time will then appear, increasing by 25 cent increments.
4. Remove card when desired time is displayed.

#### Pay-By-Space machines:

1. Follow the instructions on signage next to the machine.

### How much does a ParkCard cost?

The initial non-refundable ParkCard cost is \$3.00. You may add as much value to the ParkCard as you wish (minimum \$20) and purchase additional value to the card when you wish. Rates are posted at each parking location.

### Are the ParkCards reusable?

Yes, the ParkCards are reusable and additional value can be purchased at the City of Santa Cruz Parking Office or any Pay-by-Space machine.

### Where can I purchase a ParkCard?

- **Locust Garage**, Parking Office, 124 Locust St.
- **Soquel/Front Garage**, 601 Front St.
- **Parks & Recreation Dept.**, 323 Center St.
- **Public Works Dept.**, 809 Center St., Rm 201
- **Water Department**, 212 Locust St., Suite D
- **Louden Nelson Center**, 301 Center St.
- **Civic Box Office**, 307 Church St.

### What if my ParkCard is lost or stolen?

The City of Santa Cruz is not responsible for lost, stolen or damaged ParkCards.

### What is a Time Refund?

Unused time (added by the ParkCard) can be credited back to your ParkCard upon leaving your metered parking spot.

#### To obtain time refund at meter:

1. Insert **ParkCard** that was used to purchase time into meter—at least 1 minute after initial time was purchased;
2. Meter window will flash 4 times, displaying the remaining balance;
3. Meter window will display “REF”;
4. Value of the left-over time will be added back to the ParkCard;
5. Meter window will display new balance;
6. Remove ParkCard.
