## SAME DAY SERVICE!

Place your refuse, recycling and *GreenCycle!* carts at the curb (in any order) by 5 a.m. on your regular REFUSE pickup day.

- Space carts as shown in photo, with as much space as possible between carts and cars—use your driveway if necessary. More space is even better! Carts may be in any order.
- City crews will first pick up GreenCycle! and refuse carts, depositing them in a truck with two separate compartments, then will return the same day to pick up recycling. Leave carts out until they are emptied.
- If you have questions or comments, call us!

City of Santa Cruz Customer Service **420-5220** 

Place all three carts at the curb by 5 a.m. on your regular REFUSE pickup day.
