

POLICY TITLE POLYSTYRENE FOAM PLASTIC PRODUCTS—PROHIBITION ON
CITY PURCHASE AND/OR USE

POLICY STATEMENT:

This policy is established to reduce the environmental litter and waste disposal problems caused by using non-biodegradable polystyrene foam materials (for example, styrofoam products). The policy affects city operations and city facilities.

The City of Santa Cruz is prohibited from purchasing and/or using polystyrene foam plastic products except for use as incidental packing materials.

AUTHORIZATION: Council Policy Manual Update of November 17, 1998
