14.04.01 40 Hour Per Week Employees

On an annual basis, 40-hour week employees who have accumulated more than 400 hours of sick leave, will be asked to choose among the following options, which will be paid out on the last pay date in June:

1. To receive a cash pay-off of all hours in excess of 400 at the rate of 33% of their current rate of pay.
2. To “bank all hours in excess of 400. Banked hours may not later be converted to cash and will be used as sick leave only when all other sick leave is exhausted.

14.04.02 56-Hour per Week Employees

A. Maximum Sick Leave Accrual

As of the last pay date in June of each year, employees who have accumulated sick leave in excess of the minimum amounts listed below may take vacation pay or receive a cash payment for the amount of excess sick leave; or, employees may elect to accumulate sick leave up to the maximum limits at which point they must take the excess as cash or time off. The amount of vacation pay or cash payment will be made based on 25% of the time accrued above the designated threshold.

56-hour week employees: 1680 - 1860 hours

In addition, employees may be allowed to “bank” all hours in excess of 1,860. Banked hours may not later be converted to cash and will be used as sick leave only when all other sick leave is exhausted or be converted to CalPERS service credit upon retirement.

B. Vacation Conversion

Employees with 15 or more years of regular service and a minimum sick leave balance of 150 hours for 56-hour/week schedules may elect to convert sick leave to vacation time according to the following table:

<u>Years of Service</u>	<u>Maximum No. of Extra Vacation Hours</u>
15 - 19	24/year
20 - 24	36/year
25+	48/year

Department head approval is required prior to taking vacation, and converted hours are not allowed to accumulate from one calendar year to the next.

14.04.03 Retirement Conversion

In addition to selecting the CalPERS service credit option, employees retiring from the City with at least twenty (20) years of regular service may also elect to convert a maximum of 1,500 hours of their accrued sick leave (banked and unbanked) in 100 hour increments to an additional 1% contribution by the City towards the

cost of their retiree medical benefits as defined by Sections 18.04 (Retiree Medical Plan) and 18.05 (Retiree Medical Incentive) of this memorandum. For example, the maximum conversion of 1,500 hours would equal a 15% increase in the City's contribution towards a retiree medical plan for a maximum 90% contribution. All restrictions and requirements of Sections 18.04 (Retiree Medical Plan) and 18.05 (Retiree Medical Incentive) apply to this sick leave incentive option including, but not limited to, eligibility and plan availability.

Procedures clarifying the sick leave incentive program shall be prescribed by the Director of Human Resources and/or City Manager and shall be subject to administrative directive.

SECTION 15.00 – VACATION

Vacation accrual will be on a monthly basis beginning at date of hire. Accumulated vacation time may not exceed twice the annual rate of accrual unless prior written authorization for a specified amount is received from the City Manager or Director of Human Resources. An employee must be on paid status at least 50% of the working hours of a pay period to earn vacation for that period. Upon proper authorization, a probationary employee may use accrued vacation leave.

Vacation accrual shall be based on continuous regular service, as follows:

15.01 40-hour per Week schedules

Up to 5 years	80 hours per year
6 to 10 years (inclusive):	120 hours per year
11 or more years:	120 hours, plus eight (8) hours for each year of service after ten (10) years to a maximum of 160 hours.

15.02 56-hour per Week Schedules

Up to 5 years	12 hours per month
6 to 10 years	18 hours per month
11 or more years:	18 hours per month plus one hour per month for each year of service after ten (10) years to a maximum of twenty-four (24) hours per month.

SECTION 16.00 – BEREAVEMENT LEAVE

The purpose of this section is to provide paid leave for employees when they are bereaved at the death of a family member and this loss has had a temporary effect on the employee's ability to continue daily work performance.

A leave of absence with pay of up to twenty-four (24) hours for 40-hour/week employees or thirty-six (36) hours for 56-hour/week employees per incident is available to an employee in the event of a death in the employee's family which shall, for the purpose of this article, include spouse, parent, son, daughter, grandparent, sibling, mother or father-in-law, registered Principal Domestic Partner,

grandchild of employee, spouse, or registered Principal Domestic Partner, son-in-law, daughter-in-law, grandparent-in-law, brother-in-law, sister-in-law or a close relation residing in the employee's household. 1. Medical Reimbursement Account (MRA)

Covered employees who retire under the provisions of the City’s contract with CalPERS are currently eligible to continue CalPERS medical coverage. The City will contribute a monthly amount to CalPERS pursuant to Government Code Section 22892 of the Public Employees Medical and Hospital Care Act (PEMHCA), currently \$122 for 2015.

18.05 Retiree Medical Incentive

In addition to the PEMHCA minimum monthly contribution amount pursuant to Government Code Section 22892 (currently \$122 for 2015) that the City contributes for all employees in a CalPERS medical plan, employees currently on the City’s retiree medical plan and future covered employees who receive a retirement from PERS and have at least five (5) years of continued service with the City and are at least fifty (50) years of age will receive a retiree medical benefit in the amount of \$112.04 per month. This benefit will continue as long as the employee continues PERS medical coverage and until such time the retiree is eligible for Medicare or other Federal or State health programs, solely on account of age.

Employees who retire with more than twenty (20) years of City service will receive a retiree medical incentive of 75% the cost of the employee-only coverage of the highest CalPERS HMO plan from only among those plans available in Santa Cruz County at the time of ratification of this agreement (less the contribution listed in Section 18.04 (Retiree Medical Plan) of this memorandum).

To the extent allowed by law, the benefits bestowed by this section are intended to survive the termination and/or expiration of this memorandum. To this end, future Fire Management bargaining representatives shall not amend or delete these benefits retroactively or agree to benefits at variance with the above defined benefits so as to reduce or eliminate the benefits herein conferred upon existing retirees.

18.06 Disability Retirement Before Age 50

Upon disability retirement before age 50, an employee shall be reimbursed for unused sick leave through the provision of the City's retired health care plan for the employee only to the following limits, whichever occurs first: (1) up to the current value of the employee's sick leave accrual; or (2) until such time as the employee obtains primary health care coverage under another plan; or (3) until the employee is eligible for Federal or State medical programs. Once any of these limits are reached, the employee is no longer eligible for coverage under this plan.

The retiree shall notify the City in writing at such time as he/she is receiving primary coverage under another plan.

Two years after the date of retirement, if a retiree is still covered under the City's plan, he/she must provide the City with an affidavit stating that he/she is not receiving primary coverage under another plan. If the retiree fails to provide such an affidavit, the City has the right to cancel coverage with 30 days written notice.

To be eligible for this Retired Health Care Plan, the employee must have an accrued sick leave balance of 144 hours as of the effective date of disability retirement.

If an employee is medically declared to be totally disabled, the City shall provide the retired health plan to that employee until he/she is eligible for Federal or state medical programs, regardless of the employee's sick leave balance.

In all cases, retired employees may purchase coverage for their dependents under this plan as long as they, themselves, remain eligible and are insured under the plan.

Employees with 15 or more years of service may elect to apply all or part of their sick leave toward purchase of the retired health care plan or convert it to cash as provided under Section 14.04 (C).

18.07 Life Insurance

The City shall make a voluntary term life insurance policy available to unit employees.

The City shall contribute full cost of the City-sponsored long-term disability program. The maximum monthly benefit shall be at least \$5,000.

18.09 Medicare Buy Back

The City will meet and discuss with the Association the desirability and implementation of Medicare buyback. Because this item is not cost neutral to the City, further discussion regarding the level of employee participation is needed before the City can agree to implement a Medicare buyback process.

18.10 Health Savings Account

The City will meet and discuss with the Association to facilitate the established of a third-party-managed Health Savings Account for Association members.

SECTION 19.00 – UNIFORM ALLOWANCE AND REPLACEMENT

Employees will comply with departmental standards with regard to appearance and cleanliness. To this end, the City agrees to pay the cost of cleaning department authorized uniforms. For this purpose, the City will establish an account at a dry cleaning establishment located within the City of Santa Cruz. For their part, employees will deliver and retrieve uniforms from the dry cleaning establishment, and do so during non-working hours. However, under exceptional circumstances, subject to the approval of the Fire Chief or his representative, uniforms may be delivered or retrieved during working hours.

The City agrees to replace uniforms on an as-needed basis, as determined by the Fire Chief. It shall be the responsibility of each unit employee to arrange for purchasing, fitting, pickup, delivery, return, repair and control of uniform items.

The parties agree that for PERS reporting purposes, the value of the cleaning service is four hundred and sixty-eight dollars (\$468.00) per year.

Employees who themselves pay the employee share of PERS, shall pay the PERS cost of the value of cleaning service. Such payment shall be made through a payroll deduction out of her/his paycheck each pay period. The amount of the deduction shall be determined by multiplying the employee's PERS contribution rate by eighteen (\$18.00) dollars.

SECTION 20.00 – MANAGEMENT BENEFITS

20.01 Management Vacation

In the first full pay period in January of each year all management employees will be credited with vacation time in addition to their normal authorized vacation allowance. Those on a 40-hour/week schedule shall receive 80 hours management vacation, and those on a 56- hour/week schedule shall receive 112 hours management vacation. Although these additional hours will be documented on the employee sick leave and vacation schedule, it will be itemized separately.

Employees desiring to be paid for any or all of their management vacation may so indicate on either July 1 or December 31 of each year. Upon separation, employees shall receive the value of their unused accrued management vacation. This benefit will be pro-rated for new hires.

It is mutually understood and agreed that retroactive changes to time cards converting already used management vacation to some other form of paid leave, thus increasing the number of management vacation hours eligible for pay out at years end, will not be allowed.

It is mutually understood and agreed that it is each individual employee's responsibility to manage his/her use of management vacation hours to avoid the loss of any unused time.

Accumulation of management vacation shall not exceed eighty (80) hours for 40-hour per week employees and one hundred twelve (112) hours for 56-hour per week employees.

20.02 Optional Management Benefit

In recognition of unscheduled and special assignments performed by management employees and night meetings they occasionally attend, the City will contribute \$1,500 for employees with more than ten (10) years of service and \$1,300 for employees with less than ten (10) years of service, annually, to an optional management benefit plan. Payment for this benefit shall be made in July of each year for the previous fiscal years' service.

Employees may select the following options for use of the benefit:

1. Payment to deferred compensation;
2. Upon approval of the department head, purchase of additional vacation leave;
3. Direct payment to the employee.

This benefit will be prorated for new hires and terminated employees.

SECTION 21.00 – CITY PROVIDED VEHICLE

Subject to the approval of the Fire Chief and the City Manager, a City provided car may be provided to the Division Chiefs. Employees approved for and provided with City vehicles are responsible for all associated tax liabilities in accordance with Federal, State, and local regulations and laws.

SECTION 22.00 – REDUCTION IN FORCE

All Fire department employees shall be subject to the layoff policy and procedure provided in this section. In case of elimination, reorganization, or reclassification of personnel during the term of this agreement, the City agrees to discuss redistributing negotiated cost of living adjustments to

assist with additional workloads that may be imposed. It is recognized and agreed that the salary savings resulting from any reductions of the work force are to be wholly realized by the City.

22.01 Lay-Offs

The City reserves the right to reduce its workforce by layoff of employees for reasons of economy or changes in departmental operations. When one or more employees assigned to the same classification within a department are to be laid off, the order of layoff shall be as follows:

1. Temporary
2. Probationary
3. Regular

The order of layoffs shall be governed by seniority in the current classification from the date of hire in the classified position.

22.02 Bumping

Bumping is defined as a voluntary movement of an employee to be laid off from his/her current classification to a previously held lower classification (based upon previous duties, if title has changed) held by an employee with less seniority. An employee with sufficient seniority to bump an employee in a lower classification shall bump the least senior person in that classification.

For bumping purposes, the employee exercising bumping, will add time in the affected position (position bumping into), current position (laid off position), and related higher position as total seniority time. This time will be carried forward and bump that employee in the next lower classification with less time in the lower classification. This seniority will establish the individual's seniority in the lower classification.

22.03 Notification

Employees to be laid off shall be given not less than fifteen (15) working days written notice prior to the reduction in force. An employee wishing to bump to a lower classification shall provide written notice to the City within ten (10) days of receiving their layoff notice.

22.04 Reinstatement

Should there be a vacancy in the classification from which an employee was laid off be re-established within 18 months, the employee shall be eligible for reinstatement. It shall be the employee's responsibility to notify the Human Resources Department of his/her current address. Every effort shall be made to notify the affected individual of any reinstatement opportunity. Reinstatement shall be in the reverse order of layoff.

SECTION 23.00 – GRIEVANCE PROCEDURE

23.01 Purpose

To assure prompt and fair treatment of employee grievances related to employment. Any employee covered by this Memorandum of Understanding may file a grievance.

23.02 Definitions

- A. Grievance: An alleged violation, misinterpretation or misapplication of the provisions of this Memorandum, the City's Personnel Rules and Regulations or Fire Department Rules and Regulations.
- B. Workday: All weekdays excluding holidays and weekends.

23.03 Limitations

- A. A grievant may be represented by any representative of his or her choosing in preparing and presenting a grievance.
- B. No reprisal shall result against any employee who presents a bona fide grievance under this procedure.
- C. Time limits may be extended by written mutual agreement of the parties.
- D. A grievance shall be considered settled in favor of the other party if, at any step, a decision is not rendered or appealed within the specified time limit.
- E. Only upon mutual written agreement between the parties may Step I of the grievance procedure be waived.

23.04 Procedures

23.04.01 Step I

The grievant will first attempt to resolve the grievance through informal discussions with successive levels of supervision beginning with his/her immediate supervisor through his/her highest management-level supervisor, exclusive of the department head. These discussions must be initiated within ten (10) workdays of when the employee knew, or reasonably should have known the incident upon which the grievance is based. Every attempt will be made by the parties to settle the issue at this level.

23.04.02 Step II

If the grievance is not resolved through the informal discussion, the employee may, within ten (10) workdays, submit a written grievance to his/her department

head after the informal meeting.

The written grievance must contain in clear, factual and concise language:

1. A brief statement as to the date of the occurrence on which the grievance is based and the facts as the grievant see them.
2. The rule, regulation or act on which the grievance is based.
3. The action the grievant believes will resolve the grievance.
4. Signature of the employee.

The department head shall have ten (10) workdays following receipt of the appeal to review the matter and prepare a written response. Copies shall go to the parties involved and the Human Resources Department.

23.04.03 Step III

If the grievance is not resolved, the grievant may, within five (5) workdays following receipt of the department head's response, appeal to the City Manager or his/her representative, stating in writing the basis for the appeal.

The City Manager or his/her representative shall render a written decision to all parties directly involved within fifteen (15) workdays following the date which the aggrieved employee appealed the department head's decision.

23.04.04 Step IV

If the grievance is not resolved to the satisfaction of the employee at the conclusion of Step III, the employee may appeal the decision of the City Manager to a neutral arbitrator, provided her/him so informs the City Manager in writing within ten (10) working days following receipt of the City Manager's decision.

Within ten (10) working days from the date of receipt of the appeal, the parties may mutually agree on a neutral party from an independent source to serve as an arbitrator. In the event the parties fail to agree on the neutral party, they shall immediately, thereafter, jointly request the California State Mediation and Conciliation Service to submit to them a list of five (5) persons qualified and available to act as arbitrator.

If such a list is requested from the state Mediation and Conciliation Service, the parties within five (5) working days of receipt of the list, shall mutually agree upon the person on the list who shall be the arbitrator. If one person is not mutually agreed upon, the parties shall within five (5) days after receipt of the list of names alternately strike two (2) names from such list with the last remaining name to be the person serving as arbitrator. The party having first choice to strike a name from the list shall be determined by lot.

The arbitrator shall have no authority to add to, detract from, alter, amend or modify any provision of this Agreement, or impose on any party hereto a limitation or obligation not explicitly provided for in the Agreement, or to alter any wage rate or wage structure. The decision of the arbitrator shall be rendered after the evidence and arguments are presented to him/her by the parties in the presence of each other and in post-hearing briefs, if necessary. The decision of the arbitrator shall be final and binding upon the parties.

The arbitrator is requested to expedite the decision as the parties normally expect a decision to be issued within fifteen (15) days after the conclusion of the hearing.

The arbitrator's expenses, if any, shall be borne equally by the parties. Each party shall bear the cost of its own representation.

SECTION 24.00 – DISCIPLINARY APPEALS PROCEDURE

24.01 Definition

Disciplinary action shall mean written reprimand, suspension (as authorized by FLSA), demotion, disciplinary reduction in salary, or discharge.

The appeal procedure described herein shall apply to cases of disciplinary action affecting regular employees. It shall not be applicable to probationary employees. Employees have the right to representation at any or all stages of the appeal process.

24.02 Pre-Action Procedure

24.02.01 Step I

Prior to imposing disciplinary action which would result in a loss of salary, the supervisor shall first provide the employee a preliminary written notice of the proposed action stating the effective date, the specific grounds and particular facts upon which the action will be taken. The employee shall have access to any known written materials, reports or documents upon which the action is based. The employee shall have the right to respond to the charges within five (5) workdays from receipt of the notice either orally, in writing, or both to the Fire Chief.

The employee may request an extension of the time to respond for justifiable reasons. Failure to respond within the time specified will result in the employee's waiver of his/her procedural rights and final action will be taken.

24.02.02 Step II

Following a review of a proposed disciplinary action the Fire Chief, within five (5) workdays of receiving employee's response, shall render a written decision and send it by registered mail or personal delivery to the employee. A copy shall also be mailed to the employee's representative.

The employee has the right, within five (5) workdays after receiving the decision, to file a request for appeal with the City Manager. The appeal shall be a written statement, signed by the applicant, explaining the matter appealed from, stating the action desired by the appellant, with his/her reasons therefore, and stating that the pre-action procedures have been exhausted.

If, within the five-day (5) appeal period, the employee involved does not file such appeal, the Fire Chief's decision shall be final and shall take effect as prescribed.

24.03 Post-Action Appeal

24.03.01 Step III

If the employee files a timely appeal, the City Manager shall, within five (5) workdays after receiving the appeal, designate a hearing officer who shall schedule a hearing not less than five (5) workdays from the date the appeal is received.

The hearing officer may conduct such independent investigation of the matter as he/she deems necessary. The appellant shall be given the opportunity to answer or present evidence in opposition to the findings of this independent investigation.

The appellant shall appear personally at the scheduled hearing unless physically unable to do so. The appellant or his/her representative may produce relevant oral or documentary evidence at the hearing.

Within fifteen (15) workdays following the hearing, the hearing officer shall render a written decision to all parties involved. The hearing officer has the authority to affirm, repeal or modify the disciplinary action.

For discipline equivalent to the severity of suspension (as authorized by FLSA) of one (1) week or less, or leave balance reduction of one (1) week or less, there shall be no appeal beyond Step III and the City Manager's decision shall be final.

24.03.02 Step IV

If the appeal (except as exempted above) is not resolved to the satisfaction of the appellant at the conclusion of Step III, the employee may appeal the decision of the City Manager to a neutral arbitrator, provided it so informs the City Manager in writing within ten (10) working days following receipt of the City Manager's decision.

Within ten (10) working days from the date of receipt of the appeal, the parties may mutually agree on a neutral party from an independent source to serve as an arbitrator. In the event the parties fail to agree on the neutral party, they shall immediately, thereafter jointly request the California State Mediation and Conciliation Service to submit to them a list of five (5) persons qualified and available to act as arbitrator.

If such a list is requested from the State Mediation and Conciliation Service, the parties within five (5) working days of receipt of the list, shall mutually agree upon the person on the list who shall be the arbitrator. If one person is not mutually agreed upon the parties shall within five (5) days after receipt of the list of names, alternately strike two (2) names from such list with the last remaining name to be the person serving as arbitrator. The party having first choice to strike a name from the list shall be determined by lot.

The arbitrator shall have no authority to add to, detract from, alter, amend, or modify any provision of this agreement, or impose on any party hereto a limitation or obligation not explicitly provided for in this agreement, or to alter any wage rate or wage structure. The decision of the arbitrator shall be rendered after the evidence and arguments are presented to him/her by the parties in the presence of each other and in post hearing briefs, if necessary. The decision of the arbitrator shall be final and binding upon the parties.

The arbitrator is requested to expedite the decision as the parties normally expect a decision to be issued within fifteen (15) days after the conclusion of the hearing. The arbitrator's expenses shall be borne equally by the parties. Each party shall bear the cost of its own representation.

EXHIBIT B – DISCRIMINATION/HARASSMENT POLICY

City of Santa Cruz
Administrative Procedure Order
Section II, #1A (January 30, 2014)

II-1A

SUBJECT: DISCRIMINATION/HARASSMENT POLICY IMPLEMENTATION AND COMPLAINT PROCEDURE

PURPOSE

The purpose of this document is to confirm the City’s commitment to prohibit and prevent unlawful discrimination and harassment in employment; and provide a City complainant an investigation procedure to resolve complaints of alleged discrimination or harassment in violation of the law or City Council Policy 25.2 (Discrimination and Harassment Policy).

POLICY STATEMENT

It is the policy of the City of Santa Cruz to maintain and promote a working environment free from discrimination and harassment; and to provide all current and prospective employees with equal opportunity in employment regardless of race, creed, color, national origin, ancestry, religion, disability, medical condition, sex, gender (including gender identity and gender expression), physical characteristics, marital status, age, sexual orientation, organizational affiliation, or veteran status (later referred to collectively as “Protected Categories”).

This policy is promulgated in recognition of the fact that discrimination and harassment of the type prohibited by this policy, if allowed to exist, not only violates Federal, State and municipal law but also serves to undermine employee integrity, create low employee morale, reduce employee productivity, and cause skilled and valuable workers to leave their City employment. All of this, in turn, is detrimental to the general health and welfare of the community, which depends upon a highly motivated and skilled body of City employees to deliver essential municipal services.

The City Council acknowledges and understands that in order to implement a non-discrimination/non-harassment policy, it is essential that all persons who witness or experience discrimination or harassment report that discrimination or harassment immediately in order to facilitate early, effective, efficient, and impartial investigation and intervention by the City. Accordingly, any retaliation against a person for filing a discrimination or harassment complaint, reporting discrimination or harassment which he or she has witnessed, or assisting in a discrimination or harassment investigation is strictly prohibited. Employees found to have

participated in retaliatory action in contravention of this policy shall, therefore, be subject to disciplinary action up to and including termination.

In implementing the policy, the rights of free speech and association shall be accommodated in a manner consistent with applicable Federal and State law and in a manner consistent with the intent of the policy.

DISSEMINATION OF POLICY AND TRAINING

All employees, supervisors, and managers shall receive a copy of this APO and City Council Policy 25.2 and shall also attend sexual harassment and cultural diversity training according to the following schedule:

- 1) All new employees – Harassment and Cultural Diversity courses within the first year of hire.
- 2) Supervisors – Harassment training within six months of gaining supervisory responsibilities and a refresher no less frequently than every two years.

Posters explaining local, State, and Federal non-discrimination laws will be prominently displayed in the Human Resources Office. The City’s EEO Policy will also be posted on the Human Resources Office bulletin board and the City’s internal and external websites.

REASONABLE ACCOMMODATION FOR DISABILITY (as required by the *Americans with Disabilities Act*)

Disability is defined as: a) a physical or mental impairment that substantially limits one or more major life activities; b) having a documented record of such an impairment; or c) being regarded as having such an impairment.

Accommodation is any change in the work environment or in the way things are customarily done that enables an individual with a disability to enjoy equal employment opportunities. It means modifications or adjustments to: a) a job application process to enable an individual with a disability to be considered for the position; b) the work environment in which a position is performed so that a person with a disability can perform the essential functions of the position; and c) enable individuals with disabilities to enjoy equal benefits and privileges of employment as employees without disabilities enjoy.

1. Inclusions

Accommodation includes making existing facilities and equipment used by employees readily accessible to and usable by individuals with disabilities. Accommodation applies to: a) all employment decisions and to the job application process; b) all services and programs provided in connection with employment; c) non-work facilities provided in connection with employment; and d) known disabilities only.

2. Exclusions

Accommodation is not required if: a) it eliminates essential functions of a position from the person’s job; or b) adjustments or modifications requested are primarily for the benefit of the person with a disability. The law does not require an accommodation that imposes

an “undue hardship” on the operation of the City. Undue hardship means significant difficulty or expense incurred in the provision of accommodation relative to the operation of the City’s program and includes, but is not limited to, financial difficulty. Undue hardship refers to any accommodation that would be unduly costly, extensive, substantial, disruptive, or that would fundamentally alter the nature or operation of the City. Whether a particular accommodation will impose an undue hardship is determined on a case-by-case basis. The following factors will be considered in determining whether an accommodation would create undue hardship: a) the nature and cost of the accommodation; b) the financial resources of the City; c) the number of employees; and d) the type of operations of the City, including the composition and functions of its workforce.

3. **Determining the Appropriate Accommodation**

Where a particular accommodation would result in an undue hardship, the City must determine if another accommodation is available that would not result in an undue hardship. If a qualified individual with a disability requests the provision of a reasonable accommodation, the City shall engage in an informal, interactive process with the person with a disability which identifies the precise limitations resulting from the disability and potential accommodations that could overcome those limitations. The accommodation process shall generally involve five (5) steps.

- First, the City shall analyze the particular job at issue and determine its purpose and essential functions.
- Second, the City shall consult with the individual with a disability to ascertain the precise job-related limitations imposed by the individual’s disability.
- Third, the City shall consult with the individual with a disability and, if desired by the agency, the appropriate rehabilitation or ergonomics consultant to identify potential accommodations and the necessary modifications.
- Fourth, the City shall assess the effectiveness of each potential accommodation with regard to enabling the individual to perform the essential functions of the position.
- Finally, the City shall consider the preference of the individual to be accommodated and select and implement the accommodation that is most appropriate for both the employee and the agency.

DISCRIMINATION AND HARASSMENT COMPLAINT PROCEDURE

This complaint procedure is available to City of Santa Cruz employees and individuals who believe that they have been subjected to discrimination and/or harassment in relation to employment with the City of Santa Cruz.

Complainants, and employees alleged to have engaged in discrimination or harassment, may choose to be represented at any or all steps in the complaint process.

I. **Filing a Complaint**

Complaints may be submitted to an employee’s immediate supervisor, any supervisor or manager within or outside the department, the department head or the Human Resources Director within one (1) year of the date the alleged action occurred. Any City of Santa Cruz supervisor, manager, or department head who receives a discrimination or harassment

complaint shall notify the Human Resources Director immediately upon receipt of the complaint. Complaints may be presented orally or in writing.

Written complaints should include the following information:

- The name, address, and telephone number of the complainant.
- The basis for the alleged discrimination or harassment (protected category and/or retaliation).
- The specific discriminatory practice(s) or incident(s) that have occurred.
- The names of any persons thought to be responsible for the discrimination/harassment.
- The remedy the complainant is seeking as a result of the complaint.
- The name, address, and telephone number of the complainant's representative, if any.

If complainants wish to file the complaint in person and receive assistance, they may contact the Human Resources Department to schedule an appointment with a staff investigator.

II. Investigation and Resolution

After reviewing the discrimination or harassment complaint, the Human Resources Director shall determine if an investigation is necessary to resolve the issues of the complaint and, if so, authorize and supervise the investigation of the complaint. The complainant will be contacted by the investigator upon the investigator's receipt of the complaint and will be kept apprised of the status of the investigation. Every effort will be made to conclude the investigation within one hundred and twenty (120) calendar days of receipt of the complaint.

The Human Resources Director will not proceed with the investigation of a complaint if the complaint contains no assertion that the alleged acts occurred based on one or more of the protected categories or if a nexus cannot be established between the alleged act(s) and discrimination based on any of the protected categories. When the investigation is completed, the Human Resources Director will determine if there is sufficient evidence to substantiate a violation of the City's Discrimination and Harassment Policy and if remedial action is necessary to resolve the issues of the complaint. The complainant, alleged perpetrator/harasser, and department head will be notified of the director's determination. If discipline is imposed, the discipline will not be communicated to the complainant.

If it would present a conflict (or the appearance of such) for the review and investigation of a complaint to be conducted by the Human Resources Department, the City Manager will be responsible for this process.

III. City Manager Review

Complainants who are not satisfied with the Human Resources Director's determination may request a review by the City Manager (or his/her representative), in writing, within ten

(10) workdays following receipt of the Human Resources Director's determination. The City Manager (or his/her representative) shall review the complainant's written appeal and the investigative findings and shall render a written decision within thirty (30) workdays following the review.

IV. Additional Remedies

Current City employees covered by a memorandum of understanding that includes arbitration as the final step in the grievance process may request that the matter be taken to arbitration in accordance with the specific procedures contained in the applicable memorandum of understanding.

In addition, all complainants may file complaints of discrimination or harassment with the State of California Department of Fair Employment and Housing and the Federal Equal Employment Opportunity Commission, whether or not complainants choose to use the City of Santa Cruz' complaint procedure. Time limits for filing complaints with State and Federal compliance agencies vary and those agencies should be contacted directly for specific information.
