

UTILITY BILL

Total is due upon presentation

Please Note The Following:

Usage Analysis:

(1 CCF = 100 Cubic Ft or 748 Gal.)

Meter No.	Read Date	Previous	Current	Cons.
[REDACTED]	6/8/2016	291	299	8

Water consumption this period: 5,984 gallons
Average water use this period: 200 gallons/day

NOTE:

Due to good winter rains, healthy reservoir storage, and YOUR rock star conservation actions, water restrictions are not required this summer. Water waste, however, is always prohibited. For more information regarding prohibitions, please visit www.cityofsantacruz.com/water-regulations.

The Water Quality Consumer Confidence Report is available electronically at www.cityofsantacruz.com/cor2015

Account Type: Find your account type here. If Multi Family, please specify # of units

Dwelling Units: This is only necessary if Account Type is multi-family

Consumption: This is your monthly consumption amount in CCF

Meter Size: Your meter size is located here. In this case, the meter size is 5/8"

Location: Is your service location inside or outside of city limits? If your utility bill includes franchise and utility tax, then you are an inside-city customer. Otherwise, go to: <http://gisweb.cityofsantacruz.com/publicGIS> and enter your address. If the red dot is inside of the red border -- then you are an inside-City customer.
