# City of Santa Cruz Laundry-to-Landscape Greywater 2020 Rebate Program

The rebate is **\$150**, or the cost of materials, whichever is less. This offer is good through **December 31, 2020**, or until funds are depleted, whichever comes first.

## Rebate Eligibility Requirements

- Participants **must attend** a 2020 Laundry to Landscape Installation Workshop in Santa Cruz County. Visit <http://centralcoastgreywater.org/> to find a workshop in the area.
- Participants **may alternatively** have the system installed by a professional from the Central Coast Greywater Alliance Installer Directory <http://centralcoastgreywater.org/greywater-alliance-directory/>
- Participants must have installed their laundry-to-landscape greywater system by December 31, 2020.
- The property must be at a location served by the City of Santa Cruz Water Department.
- An on-site inspection by a representative of the Water Department will be required to verify installation before a rebate is paid.
- Rebate applicants must have an **original receipt or itemized invoice** showing proof of purchase of the greywater installation materials.
- City residents must submit a Clothes Washer Greywater Systems Installation and Maintenance Agreement Form to the City of Santa Cruz Public Works Department. The form can be found at [www.cityofsantacruz.com/graywater](http://www.cityofsantacruz.com/graywater)

## Procedure

1. Attend one of the 2020 Laundry to Landscape Installation Workshops presented in Santa Cruz County or have your system installed by a professional from the Central Coast Greywater Alliance Installer Directory.
2. Purchase your greywater installation materials and install your laundry-to-landscape graywater system.
3. Call the Water Conservation Office at (831) 420-5230 to set up a site visit to verify installation of your greywater system.
4. Complete this rebate application form and attach the **original** sales receipt or invoice for the greywater installation materials. Return to the City of Santa Cruz Water Conservation Office.
5. **City of Santa Cruz residents only:** Submit a Clothes Washer Greywater Systems Installation and Maintenance Agreement Form to the City of Santa Cruz Public Works Department. The form can be found at [www.cityofsantacruz.com/graywater](http://www.cityofsantacruz.com/graywater)
6. Allow four to six weeks from the date the application was received to obtain your rebate.

This program provides financial assistance to customers installing laundry-to-landscape greywater systems in their home. Installation of the system is the sole responsibility of the applicant, as is the determination of the adequacy and compatibility of their existing plumbing system. The City assumes no responsibility or liability for any damage that may occur to an applicant's property as a result of participation in the rebate program. Due to circumstances beyond its control, the City of Santa Cruz Water Department cannot guarantee that installation of water conserving fixture(s) will result in lower utility costs.
