

Notice of Intent to Adopt a Mitigated Negative Declaration

The Administrator of Environmental Quality of the City of Santa Cruz is preparing to issue a Mitigated Negative Declaration of environmental impact for the following proposed project:

Project: City of Santa Cruz Parks Master Plan 2030

Project Location: Locations throughout City of Santa Cruz

Project Description: The City of Santa Cruz Parks Master Plan 2030 is a guidance document that assesses existing conditions and community needs, and guides the short- and long-term planning of parks, recreational facilities, beaches, and open space-greenbelt lands. The Parks Master Plan includes goals, policies and actions for the provision of parks and recreational services, as well as, general recommendations for expanded recreational uses and specific recommendations for improvements at the City's individual parks, beaches, open spaces, and recreational facilities. The Parks Master Plan lays out recommendations for the next 15 years but is designed to be updated over time, providing a guiding framework while allowing for adjustments based on both presently anticipated and unforeseen future needs and community desires.

Potentially Significant Effects on the Environment: Biological Resources, Geology and Soils, Hydrology, Recreational Resources

The Administrator of Environmental Quality of the City of Santa Cruz has reviewed the proposed project and has determined that the project with mitigation measures will not have a significant effect on the environment.

A copy of the Mitigated Negative Declaration and Revised Initial Study documents may be reviewed on the City's website at <http://www.cityofsantacruz.com/government/city-departments/parks-recreation/parks-beaches-open-spaces/parks-master-plan> or may be reviewed at Parks Department at the address below or at the Central Public Library, 224 Church Street in Santa Cruz.

City of Santa Cruz
Department of Parks and Recreation
323 Church Street
Santa Cruz, California 95060

Comments on the Mitigated Negative Declaration should be in writing to Noah Downing at the Parks and Recreation Department address listed above or at NDowning@cityofsantacruz.com from February 11, 2019 through March 12, 2019. The Mitigated Negative Declaration and Parks Master Plan will be considered by the City Parks and Recreation Commission and City Council at meetings that will be scheduled in the future.

If you have any questions or comments, please contact Noah Downing at (831) 420-5362.
