The RFP for WHARF POP UP PILOT PROGRAM TENNANT has been amended as follows.

PART 1 of 1: Request for Clarifications

The following request for clarifications were received.

1. **Question:** In regards to setting up a beer garden type pop up, is the city looking to contract with just one brewery or is there room for multiple offerings?

Answer: Proposals are not limited to any one producer, either for beer gardens or other types of businesses. Multiple operators may partner on a proposal to ensure the feasibility of an enterprise. For permitting and licensing purposes (i.e. Alcoholic Beverage Control), collaborative proposals should identify a single lead entity who will be the primary contact and Licensee for the requested pop-up space.

Proposals Due: February 28th, 2020, 3:00PM PDT. Any Respondents, who are proposing the sale of alcohol must submit their proposals by February 10th, 2020 at 3:00PM to ensure sufficient time for permitting by the California Department of Alcoholic Beverage Control (ABC).

Deliver sealed proposals by the due date to:

ECONOMIC DEVELOPMENT DEPARTMENT
337 LOCUST STREET
SANTA CRUZ, CA 95060

Late bids or bids delivered to the wrong office will not be accepted.
