 bring your coffee cup!

**Leaping into a New Decade of San Lorenzo
 River Watershed Management**

Join **Senator Bill Monning, Supervisor Bruce McPherson** and local water experts for a day focused on the complex nature of the San Lorenzo River Watershed and the management practices dedicated to stewarding this shared resource.

Topics include:

- Winter Water Quality of the San Lorenzo River
- Impacts of Exotic Plant Species on the San Lorenzo River Watershed Ecosystem
- Managing Wildfire for Watershed Health and Community Safety
- Amphibians of the San Lorenzo River Watershed
- A New Look at 20+ Years of Steelhead and Habitat Data
- Enhancing Steelhead Habitat with Large Wood in Upper Zayante Creek
- Q&A discussions
