PURPOSE

It is the goal of the City and Nickelodeon to provide a venue for non-profit groups that currently have no suitable venue available for film exhibition and other compatible uses. These Policies are designed to allow the community maximum access to the facility while preserving the operational integrity of the Nickelodeon.

- **Local governmental organizations.**

Both types of organizations must be located within Santa Cruz County to qualify for use.

All events conducted at the facility must, in the judgment of City staff, have a demonstrable and readily identifiable public purpose and be for the betterment of the community of the County of Santa Cruz. The event must be free of charge; or if admission is charged, any net profits may not inure to the benefit of any private parties or shareholders as set forth by the IRS.

Applicants may apply for use of the facility for: **film screenings, lectures, governmental town hall meetings** (subject to City approval) or **musical/theatrical events**, which will be considered if in the sole judgment of City staff and the Nickelodeon the event is compatible with the facility and the commercial operation of the Theatre.
