Follow prompts and enter the following information when asked:

Webinar ID: 497 604 405

You do not need a participant ID -Press Pound (#)

RAISE YOUR HAND: enter *9 on your dial pad to raise your hand so the clerk knows you wish to speak. You will be informed over the phone that your phone line has been unmuted, which is your queue to speak.

NOTE: If you are calling in and watching the meeting online, the online system's audio may be slightly delayed compared to what you hear if you are calling in. We recommend muting your online visual when you are commenting on the phone.

What is a web browser?

A web browser is a software application for accessing information on the World Wide Web. Your computer/device may have one of these default browsers already set for you.
